

Corrective Peels

Corrective Peels for Today:

POMEGRANATE INFUSION \$70

Series of three \$200

Lavish the skin with antioxidants to prevent free radical damage. Green Tea, Red Wine and Pomegranate pack a punch to exfoliate, brighten and refresh any skin condition.

BLUEBERRY SURPRISE \$85

Series of three \$245

Active Blueberry Extract invigorates the skin with the help of Lactic Acid to exfoliate the skin and restore a youthful glow. This is an exceptional acne and anti-aging treatment.

RADIANCE ORGANIC PEEL \$100

Hyperactive fruit treatment utilizes Grapes, Apple and Lactic Acid to refine the skin, assisting in blemish removal and skin texture renewal.

RENEW \$145

Series of three \$425

This potent antioxidant peel delivers a blend of Lactic Acid, Pineapple Enzymes and Vitamins A and C to promote cell turnover and gentle stimulus of collagen without excessive peeling. This is great for hypersensitive, aging or acne prone skin. Gentle enough for Rosacea skin conditions.

CLARITY \$180

The “acne peel” designed as a detoxifying treatment that fights bacteria, heals acne lesions and is calming. Salicylic, Mandelic, Lactic Acids and Vitamin A have a synergistic effect that is excellent for all grades of acne or impure skin conditions. *(The number of treatments depend on the grade of acne.)*

TIMELESS RENEWAL Epi only \$150

Epi Plus \$220

The latest insight into peeling! This treatment offers a technique similar to microdermabrasion but with a leveling blade. Epidermal Leveling is an even and effective means of exfoliation that will increase firmness and minimize fine lines and wrinkles. It removes a layer of dead skin cells and fine facial hair at the same time. The result gives a whole new meaning to the word smooth! Epi Plus includes Pomegranate Infusion facial. (All skin conditions)

Corrective Peels for Tomorrow

(10-20 days advance preparation):

CLARITY* \$180

The “acne peel”—designed as a detoxifying treatment that fights bacteria, heals acne lesions and is calming with Salicylic, Mandelic, Lactic Acids and Vitamin A—but with advanced preparation for deeper performance and more stimulation. (*see description under Today peels)

RESCUE \$300

Series of four \$1150

Series of six \$1,700

The “Gold Standard,” this treatment generates immense activity in the skin and is enormously effective to restore healthy, young skin cells that result in smoother, denser skin. It also increases your skin’s moisture levels to give you an age-defying complexion. Vitamin A and Lactic Acid work in combination to treat fine lines and wrinkles, photo damage and acne by lightning, tightening and perfecting the skin.

HERBAL SEA \$255

Series of four \$950

Series of six \$1,400

A potent and unique “herbal” peel that is plant-based and relies on the healing power of the ocean to generate deeper change in the skin. This peel works well for fine lines, wrinkles, photo damage, acne and mild acne scarring.

(Caution: You will experience discomfort during application due to gritty nature of this peel. You will also experience tingling/pin prick sensation for 12-24 hours after peel with any pressure, similar to a sunburn feel.)

HAND AND BODY PEELS Price varies

Enjoy any peel and its rejuvenating effects on the hands and other areas of the body.

BOOSTING COCKTAILS \$25–150

Blending, mixing and layering of treatments for a desired effect. Also used as a pre-peel application to ready skin for a deeper peel treatment.

Facial Delights

SACRED GLOW \$165

A combination of hyperactive fruit and herbal lightening agents provide immediate skin stimulation. Dead cell removal is accelerated to revive sluggish skin and regain a radiant complexion. *(Dry, Combination Skin)*

SWEET SERENADE \$150

An intensive calming treatment to soothe irritated or sensitive skin. Lactic Acid and Rosehip Extract reduce inflammation and blemishes and gently exfoliates to attain a more even skin tone. *(Sensitive, Hypersensitive, Rosacea)*

HARMONY DELIGHT \$200

Designed to replenish the skin with a combination of phytoestrogens and exfoliants to stimulate collagen production. Increases hydration, reduces oil and bacteria and naturally targets the skin’s hormonal imbalances. *(Customized to treat any hormonal changes due to Peri-menopause, Menopause, Pregnancy, PostPartum or IVF)*

COSMIC CLARITY \$170

A deep cleansing therapy that utilizes pure enzymes and a blend of detoxifying herbal extracts to dramatically reduce sebum production and clarify congested, impure skin. *(Oily, Enlarged Pores, Acne)*

DIVINE RADIANCE \$220

This luxurious treatment assists in augmenting the skins natural defense. Organic Blueberry Extract, Vitamin C, and a combination of protein enzymes deliver a burst of antioxidant protection leaving your skin feeling soft, smooth and refreshed. *(All skin conditions, excellent for anti-aging and photodamage)*

REVIVAL \$80

A refreshing blend of enzymes exfoliate, soften and “cleanup” the complexion. This mini-delight is a relaxing and nourishing treatment that will revive the skin pre-post flight, pre-date or for a quick lunchtime lift. *(All skin conditions; extractions not included)*

SURRENDER \$85

Indulge in this magical ritual that incorporates passive stretching, acupressure and deep tissue massage to create a balance of energy and deep relaxation. Focuses on the upper body—especially the head, neck and scalp. *(Headaches, TMJ, or just plain stressed!)*
